Mercedes Incentive Bonus Summary | September 2021

The Mercedes Incentive Bonus summary below is meant for reference only. The official eligibility for the Mercedes Incentive Bonus is defined by the models and amounts shown on the 'Programs & Offers' pages of this document.

Variable MIB			
MBUSA and MBFS are pleased to introduce variable MIB's for select models. On the Sales Program menu at the DDR screen, select 'MIB - MBFS Lease,' 'MIB - MBFS Special APR,' or 'MIB - Cash and Standard APR' based on sale type to receive the amounts below.			
	MIB - MBFS Lease	MIB - MBFS Special APR	MIB - Cash and Standard APR*
MY21 C-Sedan	\$0	\$1,000	\$2,000
MIB compatibility for these models follows the same rules as a normal MIB. DE1, DE1+, Star Access, and Small Fleet Program are listed on the Programs & Offers pages.			
* "MIB - Cash and Standard APR" may be used with cash deals, non-MBFS finance deals, and MBFS standard rates. This program is not combinable with MBFS leases, MBFS special APR's, the Loyalty Accelerator Program (LAP), or any other MBUSA or MBFS market support programs. The use of any other market support programs will result in a chargeback of the Variable MIB.			

United Mileage Plus® Star Access Program (CAN 020662)

Eligible United MileagePlus® members not only qualify for the "Fleet Incentive" listed on the Programs & Offers page(s) in this guide, but also earn bonus miles on the purchase or lease of the select Mercedes-Benz model(s) listed below.

Model	Bonus Miles
MY21 GLE-SUV (excl. Coupe)	25,000

Program Notes:

Mileage bonuses will be applied to eligible new and unregistered vehicles that are sold or leased through the United Airlines Premier Access Program.

If a customer’s program form is not from the current month, the updated incentive must be written in by the selling dealer. MSS will reimburse your dealership the fleet incentive for the current month after the DDR is submitted. These incentives may not be applied retroactively to cars already DDR’d. All sales must be DDR’d by the last day of the sales program month.

Prior to finalizing the transaction, please verify program compatibility by referencing the monthly Compatibility Matrix and check the validity of the Control Number in NetStar using the ‘Control Number Inquiry Screen’.

For additional program details or inquiries regarding obtaining control numbers for United Mileage Plus members, please contact 1-855-313-9226 or visit www.united.com/mercedes.
